REPORT OF FINANCE COMMITTEE FOR FISCAL YEAR ENDING AUGUST 31, 1933

Presented to the Board of Trustees at their Annual
Meeting, Friday, June 1, 1934

A Supplement to this report will give figures for the
school year 1933-1934, to May 25, 1934

Digitized by the Internet Archive
in 2011 with funding from
LYRASIS Members and Sloan Foundation

To the Members of the Board of Trustees of Lebanon Valley College:

The Finance Committee submits the following report for the fiscal year ending August 31, 1933; also, a report for the part of the current fiscal year extending from September 1, 1933 to May 25, 1934.

Throughout the annual report figures are shown by which the business of the year reported may be compared with that of the previous year.

Income

In common with other institutions throughout the country the returns from the various sources of income have not been maintained at the usual level. Decreases in tuition charges, investment income, Benevolence Budget receipts and departmental incomes have all contributed to the total income shrinkage. However, this resultant decrease has been offset in part by a corresponding reduction in expenditures.

Improvements and Repairs

Throughout the period covered by the two reports only necessary repairs have been made, and only such improvements as have been planned for more economical operation of the plant have been completed. The replacement of the gymnasium floor, which was damaged by a flood last summer, the rebuilding of the parapet over the entrance to North Hall were the largest items of repair expense.

The major improvements have been the remodeling of the George Property for Conservatory purposes; the laying of steam, water and light lines from North Hall to the three buildings on the northwest part of the campus; the installation of an additional stoker in the power plant and the elimination of gas for water-heating purposes, by the installation in all the buildings of water heaters operated by steam from the power plant. The cooking for the dining hall is also being done with steam from the power plant. This change eliminates the use of fuel oil.

The results obtained have shown the wisdom of making these improvements; for, in spite of the fact that two additional buildings are being heated, and that the water heating for all of the buildings, and the cooking are being done by the power plant, the coal costs show a decrease from those of the previous year, notwithstanding an unusually severe winter.

Securities

It need scarcely be said that the conditions that have persisted in the financial world have increased our difficulty in maintaining a list of securities on the safest and most profitable basis possible, on the one hand, and in anticipating the greatest possible appreciation of the entire group of investments on the other.

The Committee has made such changes in our holdings as would, upon the best advice obtainable, strengthen the position of the College in respect to its investments. Security of principal has been uppermost in the minds of the committee members, and on this basis some changes have been made at the sacrifice of immediate income. Standard Statistics Service has been used consistently, and changes have been made upon definite advice from this source.

Student Accounts

The slow improvement in general financial conditions continues to make difficult the collection of student accounts. It is exceedingly difficult to find a middle course between rigid insistence upon payment and too much leniency. Increasing requests for scholarships and other forms of assistance and the keen competition among the colleges in the granting of concessions have a decided bearing on this phase of our college finances.

J. R. ENGLE,

Chairman, Finance Committee

AUDITING COMMITTEE REPORT

To the Board of Trustees of Lebanon Valley College:

GENTLEMEN:—Following the practice of recent years, your auditing committee secured the services of a public accountant to audit the accounts of S. H. Derickson, Treasurer of the College.

The work was done at this time by Charles E. Procasco, C. P. A. of Harrisburg.

We submit as our report his certification, which follows:

H. E. SCHAEFFER
P. E. V. SHANNON
A. W. WILT

Committee

CHARLES E. PROCASCO, C. P. A.

MECHANICS TRUST BUILDING
HARRISBURG, PA.

MEMBER OF AMERICAN INSTITUTE OF ACCOUNTANTS
MEMBER OF NATIONAL ASSOCIATION OF COST ACCOUNTANTS

May 12, 1934.

*Board of Trustees,
Lebanon Valley College,
Annville, Pennsylvania.*

GENTLEMEN:—Pursuant to instructions received from your Finance Committee, I have audited the cash and investments of

LEBANON VALLEY COLLEGE

ANNVILLE, PENNSYLVANIA,

for the fiscal year ended August 31, 1933, also the relative statements included in the foregoing report of your Treasurer, Mr. S. H. Derickson.

The cash receipts and disbursements, for all funds, were audited in detail; the cash balances were confirmed by direct correspondence with the several depositaries, and all investments were examined or otherwise properly accounted for.

All income was verified and found to be correctly allocated, and all disbursements were supported by authentic vouchers.

I hereby certify that the Treasurer's cash and investment statements, as herewith submitted, are in agreement with the books of account, which were found to be correct.

Respectfully submitted,

C. E. PROCASCO,
Certified Public Accountant
